WEDNESDAY NIGHT'S

Power Skating and Stick handling, Shooting and Goalie Clinic

POWER SKATING CLINIC- This 1 hour work-out focuses on all aspects of skating including conditioning and agility...All players are encouraged to join from beginner to pro...You will get the skating work-out you desire.

STICK HANDLING and SHOOTING CLINIC- This one-hour work-out focuses on the individual's puck handling and shooting skills...All players will be broken up by age and skill level...A definite must for those wanting to keep their skills sharp!

GOALIE CLINIC

The stick-Handling and Shooting Clinic will be combined with our Goalie Skills Clinic...Goalies will be drilled on Crease movement including post work, Butterfly development, ½ Butterflies, Butterfly Crawl and Glove Work.
